Disclaimer

All subscription fees paid to Ashwini Trade Solutions are non-refundable. We do not provide trading tips nor are we investment advisors.

Our service is limited in IT software's like to algo automated trading strategies, copy trading application development and maintenance only. All the strategies created here for the copy trading platform are deployed manually under the supervision of certified research analysts(RA).All algorithms are based on back tested data but we do not provide any guarantee for their performance in future. The algorithms running in the automated system are agreed with the user before deployment Past performance of the advice/strategy/model does not indicate the future performance of any current or future strategy/model or advice provided by Ashwini Trade Solutions. Trades and actual returns may differ significantly from those depicted here due to various factors including but not limited to impact costs, expense charges, timing of entry/exit, timing of excess flows/redemptions, individual client mandates, specific portfolio construction characteristics etc. There is no assurance or guarantee that the objectives of any automatic strategy/model/copy trades deployment or advice provided by Ashwini Trade Solutions will be achieved. I Ashwini Trade Solutions or any of its partners or key officers/employees do not assure/guarantee any returns on investment in the automatic strategy/model/copy trades deployment or advice offered to the investor/Traders. The value of investments may go up/down depending on the factors and forces affecting the securities markets. Ashwini Trade Solutions or its affiliates are not liable or responsible for any loss or shortfall arising out of operations and affected by market conditions.

I ensure that I have visited the website and read all the terms and conditions carefully and I agree to all the terms and conditions.
